

REMARKS

Summary of Changes Made

The application was filed with 26 claims. In a preliminary amendment, new claims 27-48 were added. Presently, pursuant to a restriction requirement, Applicants hereby elect without traverse the Invention of the Group I claims (claims 1-4, 7, and 25-37). Claims 5, 6, and 8-24 are hereby canceled as drawn to non-elected inventions. Applicants reserve the right to prosecute the subject matter of the non-elected claims through one or more divisional applications. Accordingly, claims 1-4, 7, and 25-37 (18 claims) remain pending in the application.

Claims 27-37 are amended to place the leading article in proper form for a dependent claim, i.e., "The," instead of "A" or "An." Claim 26 is amended to recite subject matter analogous to that of claim 25, from which it depends. No new matter is added by this amendment.

CONCLUSION

Based on the foregoing, the Applicants respectfully request entry of the instant amendment and a Notice of Allowability for claims 1-4, 7, and 25-37. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application. If there are any additional fees resulting from this communication, please charge the same to our Deposit Account No. 18-0160, our Order No. TAK-18097.
